NORMA DOTY

DELBERT DUSCH

Delbert is growing older and a little more serious as his senior year draws to a close in 1949. He knows that high school has been fun for him, and there is a little pang of regret in his heart as he thinks of leaving his school friends. Delbert knows how to work, so he does not fear the future.

Bill is one of our seniors who lives in Murphysboro. He is a good science student and a member of the Industrial Arts Club. He hopes to attend Southern next year. Watch this man progress.
